

Bathroom

To make the bathroom more elegant, comfortable and stylish, Capitol creates a range of made-to-measure furnishing accessories - trays, tissue bins, soap dishes, bins, ... - in different materials, colours and shapes, which could be also customized with the hotel logo or pattern.

The range of materials goes from wood to bamboo, from acrylic to resin, up to the new eco-friendly PaperStone. Capitol gives hotels the opportunity to choose the style that best suits their bathrooms.

ACRYLIC ITEMS/POLYRESIN

Acrylic and polyresin are perfect materials for the bathroom because they are easily washable and water resistant. Furthermore, you can choose between different colours - white, black, transparent or similar to Pantone - and finishes - glossy, frosted, alabaster, marble, wooden,...

For this reason these materials are perfect for creating unique products, in line with the design of hotel's bathroom.

WOODEN ITEMS

Wood and bamboo are alternative sustainable materials for bathroom furnishings and can also be suitable for the bedroom. These products are made to measure, and different finishes can be applied – lacquered in plain colour or natural wood with grains.

PAPERSTONE ITEMS

PaperStone is an innovative and sustainable material, since it is made from 100% recycled and FSC certified paper.

It is as strong as steel, as beautiful as stone and can be worked as wood.

It is waterproof and easy to clean, therefore it is highly recommended for bathrooms.

PaperStone items can be customized with logo engraved.

Choosing eco-friendly bathroom accessories reduces the impact on the environment by replacing plastic with materials such as wood, bamboo, cotton, cornstarch, ... Capitol allows to choose from a wide range of products - cotton pads, cotton buds, nail files, toothbrushes, razors, ... - to compose the kits. The products can be packaged in paper boxes or Stone Paper sachets - available in different colours and finishes and customizable with patterns and/or logo - or bio-compostable bags, frosted finish, customizable with the hotel's logo printed.

Bath Accessories

The hotel bathroom can be enriched by making different items available to the guests. Leather cases, cloth bags - for hairdryers, bathtub mats, toilet paper rolls... - loofah gloves, natural sea sponges, pumice stone, bath salt holder, ...

A large selection of products customizable with logo.
